Respected Ladies & Gentlemen,

### **RE: INVITATION LETTER to PERSATUAN KESEDARAN DIMENSIA IPOH PERAK (Dementia Café Ipoh Perak) Membership**

We are very happy to invite you to join the PERSATUAN KESEDARAN DEMENSIA IPOH PERAK (Dementia Café Ipoh Perak) as members.

Please allow us to introduce ourselves.

The Dementia Café of Ipoh is a welcoming once a month meeting for anyone affected by dementia (people living with dementia, their families and friends, healthcare professionals and people who are interested in supporting a dementia inclusive community).

It is run by a local voluntary steering committee, BY and FOR people living with dementia and their care partners, families and the community. We are an associate member of the Irish Dementia Café Network, subscribing to the teaching of Teepa Snow's Positive Approach to Care (PAC). All are welcome to attend.

Our objectives:

- #To create better awareness for dementia, what it is and that is not a memory problem but a brain failure.
- #To overcome the stigma and taboos attached to dementia which are more harmful than the disease.
- #A place where someone feels comfortable where the core value and focus is the person and not the disease.
- #An important community resource for people living with dementia, their families and the society.
- #Its logo emphasizes on the values as mentioned above.

Life / Corporate Membership:

As a life / corporate member, you are making a long-term commitment towards supporting Dementia Café Ipoh Perak in an inclusive community and society. You pledge to help and support us in developing an inclusive program / activities such as creative arts, crafts, music, songs and dance.

Quoting Irene John, "Why is dementia always grey? Why can't it be colourful?"

We look to your kindness, generosity and support to help us grow, to continue our tireless effort to create awareness for people living with dementia and their families. We are ever so grateful and thankful for your support and contribution. Attached, membership application form.

### **QUALITY LIFE MATTERS.**

Salaam and thank you,

---

Pak Peter, Café Coordinator and Dementia Advocate
